

Rides For Ridgefield

Hello,

Thank you for your interest in volunteering with *Rides For Ridgefield*.

ALL volunteers are asked to complete the *Rides for Ridgefield* Volunteer Application, provide a reference (preferably a Ridgefield resident) and authorize a background check (and Motor Vehicle Record check for drivers).

Volunteers interested in DRIVING are also asked to complete the Driver Registration and Vehicle Registration of the Volunteer Application. After *Rides* has received these forms, Volunteer Drivers will have additional training before they become drivers for *Rides For Ridgefield*.

The completed Volunteer Application and (if relevant) Driver and Vehicle Registration forms can be either scanned and e-mailed to manager@rides4ridgefield.org or mailed to 400 Main Street, Ridgefield, CT 06877. **Please leave a message for Nate Mockry at 203-894-RIDE (7433) regarding how the forms were sent so she knows to expect your application.**

Once your completed Volunteer Application is received in our office, *Rides* manager, Nancy Brandon, will contact you to schedule a meeting to continue the process. The *Rides for Ridgefield* Mobility Management Center is on the upper level of Ridgefield Town Hall.

All volunteers are asked to commit to a minimum of six months of service to the organization.

Volunteers interested in responding to callers are asked to volunteer for two hour shifts at least two shifts a month, any weekday, either 10:00 am–12:00 noon or 12:00 noon–2:00 pm at the Mobility Management Center or remotely after being fully trained.

Volunteers interested in driving are asked to drive at least twice a month and they have total flexibility about when and under what conditions they accept a ride.

Other volunteer opportunities are available; please let us know what your areas of interest are.

Your interest in volunteering with *Rides For Ridgefield* is greatly appreciated. I look forward to meeting with you.

Regards,

Nate Mockry

Rides For Ridgefield

VOLUNTEER DRIVER FREQUENTLY ASKED QUESTIONS

What does a *Rides For Ridgefield* volunteer driver do?

Rides For Ridgefield volunteer drivers provide safe, accessible rides to Ridgefield seniors and residents who have mobility disabilities. This includes safely transporting riders to and from their ride destinations and reasonably assisting riders as needed during pick-up and drop off. A Volunteer Driver Job Description is included in the *Rides For Ridgefield* Volunteer Handbook that all volunteers receive.

Who are *Rides For Ridgefield* riders?

They are your neighbors. Eligible riders are Ridgefield senior citizens (60 years or over) or Ridgefield residents who have a mobility disability. Riders must be self-sufficient, having limited need for assistance, or accompanied by an aide. Minors must be accompanied by an adult. All riders must complete and sign a Riders Agreement before the first ride is scheduled. The agreement includes emergency contact information.

What do I need to do to become a *Rides For Ridgefield* volunteer driver?

The first thing is to complete a *Rides for Ridgefield* volunteer application form, provide a reference and meet with the *Rides* Mobility Management Center Manager. All *Rides* volunteers are required to authorize a background check, review our Code of Ethics Policy and sign a Confidentiality Agreement. *Rides* volunteer drivers are also required to complete registration forms for themselves and their vehicle(s), authorize a Motor Vehicle Record check, provide copies of: a valid driver's license, a valid vehicle registration, a current insurance certificate, a copy of a current passed DMV emissions inspection (if applicable). Committed volunteers will then be trained for their volunteer driver role.

What kind of training do the volunteer drivers receive?

In addition to an orientation to *Rides For Ridgefield*, volunteer drivers are trained in driver safety*, safe rider transfers, accident / breakdown / emergency procedures, and basic vehicle maintenance awareness. They receive periodic refresher training.

- * Volunteer Drivers are required to take a safe driving course such as the National Safety Council's Defensive Driving Course or the AARP Safe Driving Course, which are available in classroom and online settings. You may be eligible to receive an insurance discount upon completing the course; consult your insurance agent for details. **Volunteer Drivers may waive the safe driving course if their MVR report shows 0 points.**

All other training is provided by *Rides For Ridgefield*.

Rides For Ridgefield

Why do I need to do all this just to drive?

Rides For Ridgefield riders are Ridgefield senior and mobility disabled residents. A careful volunteer review and training process ensures that drivers and vehicles are appropriate to provide rides for the rider population. Everyone is checked, even people we already know. You are volunteering in an organization that cares deeply about the people it serves.

What commitment do I need to make?

All *Rides For Ridgefield* volunteers are asked to commit to a minimum of six months of service to the organization. In addition, *Rides For Ridgefield* volunteer drivers are asked to provide at least one ride each month. More importantly, once they have agreed to a ride, drivers commit to making every effort to fulfill that commitment as riders are depending on them to complete the ride.

Who decides when and where I drive?

You do. *Rides For Ridgefield* volunteer drivers indicate on their registration form when they are generally available and if they have any accommodation or geographic limitations. When a ride request is received, the request is posted in our web-based secure software. Drivers can check the on-line list of ride requests at their convenience and decide which ride(s), if any, they are available for and willing to provide. There is never an obligation to accept any ride that the driver is not comfortable providing.

What's my liability if something untoward happens?

The liability of volunteers as they do their work has become a concern in recent years. While accidents do happen, the reality is that very few volunteers have ever been sued. The Federal Volunteer Protection Act of 1997 provides (with some exceptions) that an individual who harms another by conduct engaged in as a volunteer for a nonprofit organization is not liable for the harm inflicted. The immunity provided by the Act does not extend to certain conduct, such as willful criminal or reckless misconduct, or gross negligence or a conscious, flagrant indifference to the rights or safety of the person harmed, or negligence in the operation of a motor vehicle or acts committed under the influence of drugs or alcohol.

All *Rides For Ridgefield* volunteer drivers are required to have insurance that meets the State of CT required liability coverage on personal automobile(s) used in the volunteer driver program. As a benefit to our volunteers, we offer additional insurance, at no cost to the volunteers, through CIMA's Volunteer Insurance Service. The Excess Automobile Liability Insurance policy provides protection for a personal injury or a property damage liability claim arising out of the performance of the registered volunteer's duties. This coverage is in excess of and non-contributing with any other valid or collectible insurance the volunteer may have.

Rides For Ridgefield

Are there fees for *Rides For Ridgefield* services?

There are no fees or costs to riders. Our non-profit organization is run primarily by volunteers. We have only one part-time employee, the Mobility Management Center Manager. *Rides For Ridgefield* is supported by grants, donations and fundraising events. The Town of Ridgefield, in support of this service for the community, provides office space, equipment and utilities. Our volunteers generously offer their time and services to their community neighbors.

Why would I volunteer to be a driver for *Rides For Ridgefield*?

Although there are a number of transportation options for Ridgefield senior citizens and Ridgefield residents who have a mobility disability, there are many ride needs that are not met. Other than rides to religious services that may be provided by the interfaith community and a few fee-based car services, there are no transportation services available on weekends or in the evening (e.g., to attend town meetings or the symphony, for education or employment, library programs, Parks and Recreation activities, hair appointments, movies or Playhouse events). Nor are there services available for transportation to medical appointments beyond the Ridgefield- Danbury area; or for most non-medical outings to areas beyond Ridgefield.

Lack of available transportation impedes access to essential services, impedes ability to socialize and results in social isolation.

Volunteer drivers are vital to the well-being of our community. They are often the only transportation that links people with services and activities necessary for a healthy, productive life.

Volunteers gain the satisfaction of helping others. They make a difference in a neighbor's life. They perform a much needed community service and help to create the kind of community they want.

THANK YOU FOR YOUR INTEREST IN RIDES FOR RIDGEFIELD.
